### **General Instructions**

Section references are to the Internal Revenue Code unless otherwise noted.

### **Purpose of Form**

File Form 8050 to request that the IRS deposit a corporate income tax refund (including a refund of \$1 million or more) directly into an account at any U.S. bank or other financial institution (such as a mutual fund or brokerage firm) that accepts direct deposits.

The benefits of a direct deposit include a faster refund, the added security of a paperless payment, and the savings of tax dollars associated with the reduced processing costs.

### Who May File

Only corporations requesting a direct deposit of refund with its original Form 1120 or 1120S may file Form 8050.

The corporation is not eligible to request a direct deposit if:

- The receiving financial institution is a foreign bank or a foreign branch of a U.S. bank, or
- The corporation has applied for an employer identification number but is filing its tax return before receiving one.

Note: For other corporate tax returns, including Form 1120X, Amended U.S. Corporation Income Tax Return, and Form 1139, Corporation Application for Tentative Refund, a corporation may request a direct deposit of refunds of \$1 million or more by filling Form 8302, Electronic Deposit of Tax Refund of \$1 Million or More.

## Conditions Resulting in a Refund by Check

If the IRS is unable to process this request for a direct deposit, a refund by check will be generated instead. Reasons for not processing a request include:

- The name of the corporation on the tax return does not match the name on the account.
- The financial institution rejects the direct deposit because of an incorrect routing or account number.
- The corporation fails to indicate the type of account the deposit is to be made to (that is, checking or savings).

### **How To File**

Attach Form 8050 to the corporation's Form 1120 or 1120S after Schedule N (Form 1120), if applicable. To ensure that the corporation's tax return is correctly processed, see

Assembling the Return in the instructions for Form 1120 or 1120S.

### Specific Instructions

Line 1. Enter the financial institution's routing number and verify that the institution will accept a direct deposit. See the sample check below for an example of where the routing number may be shown.

For accounts payable through a financial institution other than the one at which the account is located, check with your financial institution for the correct routing number. **Do not** use a deposit slip to verify the routing number.

Line 2. Enter the corporation's account number. Enter the number from left to right and leave any unused boxes blank. See the sample check below for an example of where the account number may be shown.
